

Broadview Garden Club

Plant Sale

May 5th 10:00-3:00

Broadview-Thomson Elementary School

13052 Greenwood Avenue North

Large selection of perennials Annuals

Native plants Vegetable starts

And a selection of perennials from Dunn Gardens

Organized in September 1951 and remains active in the Broadview Community.

Our mission "is to save and defend from waste our natural resources."

Our funds support: Bitter Lake P-Patch, Dunn Garden, Domestic Violence Shelter and Broadview Community Outreach Education on Sustainability. Because we believe in the value of early education in gardening, we also support gardening programs at Broadview Thomson and Viewlands Elementary schools.

If you are interested in learning better gardening practices and would like to meet other similar minded gardeners in Broadview join our Garden club.
