

Seattle Police North Precinct Picnic

Saturday, July 8, 2017 1:00pm to 4:00pm

Seattle North Precinct

10049 College Way N

Picnics provide opportunities for the precinct's surrounding neighborhoods to come together and enjoy an afternoon of celebration with the officers that protect their families and businesses.

Community members enjoy an opportunity to learn about and interact with many of the Department's units, including K-9, Mounted Patrol, Bomb Squad, and SWAT.

Come join us for live music, hot dogs, and ice cream, bouncy house and story time with your community police team.

If your community group would like to share information with your neighbors let Sergeant Newsom know so she can reserve a half a table for you.
