

DONOR DRIVE + LEGACY CAMPAIGN

GOAL TO BUILD - SUMMER 2016 PHASE 1

FINAL GOAL \$25,000: Every additional dollar raised now will help guarantee final components of the project, including the embankment slide & boulder components.

We need your help to reach our goal to build a revitalized play field & newly constructed play areas to benefit the entire community and surrounding neighborhoods. It's not too late to make a donation to impact this project directly and leave a legacy for years to come.

This project has been awarded grant funding through the Department of Neighborhoods Large Project Fund and King County Sports Facility Grant, with matching funds secured to proceed with construction this summer!
