

# FOREST RESTORATION CLASS

*For those who treasure Carkeek Park*

Do you live in a neighborhood near Carkeek Park? Do you visit and treasure this Park? Do you want to learn about the trees & shrubs and ecological interactions in this and many similar Seattle parks that feature ravines and second-growth forest?

---

*Instruction will be given by Lex Voorhoeve, a dynamic, engaging teacher and retired professional forester. For 15 years he has worked on forest restoration at Carkeek Park and knows every inch of this Park. Loren McElvain will be assistant instructor. Loren has been the lead volunteer forest steward at this park since 2010.*

*Class sponsored by Carkeek Park Advisory Council*
