

Dec. 31, 2019 | Soil investigations

PROJECT

Seattle Public Utilities will conduct soil investigations to aid in the design of the 12th Avenue Northwest Basin Drainage project.

DESCRIPTION

The work will include digging and drilling holes in the right of way within the project area. You may see people and equipment on your block. In some locations, “No Parking” signs will be placed before the work begins for short-term parking limitations.

SCHEDULE

The investigations are expected to take place on Friday, Jan. 3. Working hours are 8 a.m. to 6 p.m.

LOCATIONS

Please see the rectangles on the map for approximate work area locations.

ANTICIPATED IMPACTS

During the investigations you can expect:

- Temporary traffic disruptions,
- Temporary loss of some nearby on-street parking, and
- Periodic noise from the drilling operations.

CONTACT

For more information, please contact SPU Project Manager Grace Manzano at 206-233-1534 or spu_broadviewprojects@seattle.gov. You can also visit the project website and sign up for email updates at www.seattle.gov/util/12thBasin.
